**Summary of Legislation:** (CCR Amended) This bill establishes the Select Joint Commission on Medicaid Oversight. The bill provides for the appointment of Commission members and establishes meeting procedures. It also allows the Commission to meet at any time during the calendar year. The Commission expires December 31, 2003. The bill also repeals prior authorization for the Commission.

The bill also provides that the Office of Medicaid Policy and Planning (OMPP) and its payment claims contractor must accept certain claim forms and may not mandate the use of a crossover claim form.

**Effective Date:** (Amended) January 1, 2001 (retroactive); July 1, 2001.

**Explanation of State Expenditures:** (Revised) This bill creates a 12-member Select Joint Commission on Medicaid Oversight. The purpose of the Commission is as follows: (1) determine whether the contractor for the Office of Medicaid Policy and Planning has properly performed the terms of the contract with the state; (2) study and propose legislative and administrative procedures that could help reduce the amount of time needed to process Medicaid claims and eliminate reimbursement backlogs, delays, and errors; (3) oversee the implementation of a case-mix reimbursement system for Indiana Medicaid certified nursing facilities;

(4) study and investigate any other matter related to Medicaid; and (5) study and investigate all matters related to the implementation of the Children's Health Insurance Program. The Commission is required to produce a final report and may meet at any time during the calendar year.

Legislative Council Resolution 00-2 allocates \$9,000 per interim for study committees or commissions of fewer than 16 members. The Legislative Services Agency will provide staff for the Commission. Appropriations for the Commission come from the state General Fund.
